Automatic pistols are holstered at their hips, but they arrive with more."What would you wish them to do?" Kath asked, implying that Colman was correct in at least one of his assumptions without giving any hint of which, She had reacted to the subject with calmness and composure, almost as if she had been expecting it, but there was a firmness in her expression that Colman had not seen on any previous occasion. Her manner conveyed that what was at stake went beyond personal feelings and individual considerations, Earlier, the congressman had admired Karla's "nasty mouth." Now he proved that he himself could not."He ought to be given a chance to go and look at it," Borftein agreed with a nod. "What would be the best way to arrange something like that?". "Worming your way into ..." Micky fell silent, surprised by what she had been about to say..Paul Lechat raised the Separatism issue again and looked for a while as if he would carry a majority as commercial

lobbyists defected from the Kalens camp. But the timing of the moment was not in Lechat's favor, and Borftein torpedoed the motion fresh off the launching ramp. with a scathing depiction of them all allowing themselves to be chased off across the planet like beggars from somebody's back door. Ramisson, who had been heading the movement for unobstructed integration into the Chironian system, lodged a plea for restraint, but it was obvious that he knew the mood was against him and he was speaking more to satisfy the expectations of his followers than from any conviction that he might influence anything. The assembly listened dutifully and took no notice..Noah stopped, dismayed.
